

IFD576-SP

Featherweight Daylight LED Spot Light with AB & V-Mount Plates

ONE SHEET

Overview

The IFD576-SP's features include energy efficient 5600K LEDs, a narrow 30-degree angle and a lightweight design that delivers reliable, consistent performance.

The IFD576-SP Daylight LED Light features 576 energy efficient LED lights that are dimmable in 1 step increments from 10-100% using the LCD touchscreen. A large rotary knob and an included remote are also offered for dimming and powering the unit on and off. The compact design with integrated yoke mount makes the IFD576-SP portable and easy to set up. A multi-voltage AC power supply is included and for portable power pro battery plates for Sony V-mount and Anton Bauer are supplied. A removable diffuser is included and the pre-mounted four leaf barn doors with intensifiers can be folded flat for transportation.
